RE: Annual Report NPDES IDG132001

Enclosed please find our 2012 Annual Report of Operations for NPDES Permit IDG132001, Clear Springs Foods Processing Plant 2. We took possession of this seafood processing plant in December 2012 and neglected to submit the annual report for one month of possession. No seafood processing has occurred at this plant since we took possession. The lack of an annual report was brought to our attention during a recent inspection by the Idaho Department of Environmental Quality.

We apologize for this oversight.

Sincerely,

John R. MacMillan, Ph.D.
Vice President
